FAMILY PORTRAITS

The office distributed to all students their photo envelopes on Day 1 Term 2. These need to be returned to the class teacher on photo day. All students have been issued with their own envelope but you can include cash or cheques in the eldest child’s envelope if this is needed, simply complete the photo envelope as required. MSP will have a community liaison person available on the day they will be located outside the library.

This year each student has been issued with a SHOOTKEY following the instructions on the envelope you can use this shootkey to login to MSP on line ordering system, and make payments on line. When you pay this way remember to record your payment receipt number, this is to be recorded on your envelopes. If you create an account you will be able to pay for more than 1 child per payment.

FAMILY PHOTOS.

We will still have family photo envelopes available in the morning of photo day you will be able to collect these from the MSP representative.
